If you haven't already done so, log into the online Team Center and enter your teams ... you will need to do this before you can submit any deliverables. Please make sure to include your mentors in the team information.

DELIVERABLE #1 – ESSAY

INITIAL DEADLINE 2 DECEMBER

The deadline for the Essay is 2 December. You will upload your file through the Team Center: http://www.dfwfuturecity.org/team_junior.html.

Essay topic: The Power of Public Spaces. Resources to help you develop the essay (see www.dfwfuturecity.org/team_junior.html) include:

1. Webinar on essay topic
2. Essay references and links
3. Copies of best essays from past Jr Competitions

Please consult the NTX Junior Competition rules for the modifications for the 4-5th grade group (attached to the initial email and online in the Junior Team Center). For the essay, the max word limit is 1000. And you need only consider one public space renovation – either a roadway or a greyfield.

LATE SUBMISSIONS of the essay are acceptable through 19 December (with a small penalty).

NEXT PHASE – MODEL

I hope you have already started thinking about your models and started collecting recyclables to use for building materials.

Consult the handbook and the rules for the Junior Competition. Remember:

- Model size will be no bigger than 25" (w) x 36" (l) x 20" (h).
- Model will be focused on demonstrating the essay topic: The Power of Public Spaces.
- The total value of the materials used may not exceed \$50 and must be reported on the Competition Expense form.

Please let me know if you have any questions.
