

# Origin/SimCity 4 Deluxe™ Download Directions

SimCity 4<sup>™</sup> Deluxe is now available via download to your Computer (PC only). It is a 3 Step Process to get your free copy of the software.

**Step 1:** Download Origin Platform to your computer (this is EA's gaming application).

- **Step 2:** Create an Origin Account.
- **Step 3:** Download SimCity 4 inside the Origin software.

**NOTE:** The SimCity 4 file is 1.4 GB and depending on your Internet connection may require a large amount of time to download. If possible you may want to consider downloading after school hours or overnight when network traffic is less congested. If you have problems downloading please check with your IT Department or check your firewall settings. If you need assistance please check with your Regional Coordinator or call the National Future City Office at 1-877-636-9578 (hours: M-F 9 a.m.-5:00 p.m. (EST)

Once your school is registered, the Future City National Office or your Regional Coordinator will provide you with a SimCity 4 redemption code. Each code is good for 1 download onto 1 computer only. If you want to have SimCity 4 Deluxe on multiple computers you will need multiple download codes. You can request extra codes from either your Regional Coordinator or from the National office (info@futurecity.org)
